

Sound Alignment Systems Certification Training Course

Presented by

Become a certified technician from the comfort of your own home or office!

The Certification Procedure!

1. Complete the registration form. Then send a check or money order payable to Hybrid College International in the amount of \$500 USD to 15234 Victoria Avenue, White Rock, BC, Canada, V4B 1G6.
2. Upon registration and receipt of payment the College will send you a certification packet, which will include: 1) the TECHNICAL STUDY GUIDE, 2) a set of GRAPHICAL PLOT LAYOUT SHEETS and 3) the CERTIFICATION TEST.
3. When you receive your packet set aside some time to carefully review the TECHNICAL STUDY GUIDE. When you feel ready, complete the CERTIFICATION TEST and the GRAPHICAL PLOT LAYOUT SHEETS.
4. To complete the GRAPHICAL PLOT LAYOUT SHEETS you must utilize dimensions of a typical dedicated home cinema room for each of a 5.1, a 6.1 and a 7.1 multi-channel loudspeaker configuration. These layouts must represent typical room dimensions of actual projects, be they from the past, present or future.
5. After completing the CERTIFICATION TEST and all the GRAPHICAL PLOT LAYOUT SHEETS please return them back to the College in the supplied self-addressed envelope for evaluation.
6. To receive a "SA-S Certified Technician Certificate" the applicant must complete the GRAPHICAL PLOT LAYOUT SHEETS as well as score 80% or higher on the CERTIFICATION TEST.
7. All SA-S Certified Technicians must own or have access to SA-S Pro-Tech Kit tools.

If you require more detailed information you may contact the College at 604.541.6034
